

The applicants have cancelled Claims 19 through 23 and added new Claims 24 through 26. Claims 24 through 26 contain all of the limitations of previous Claim 19 as well as Claims 21 through 23, respectively. Since all of the claims in the present application now contain subject matter that the Examiner has indicated would be allowable, the applicants respectfully request that the Examiner withdraw the Final Rejection and allow the present application.

Respectfully submitted,
